**Prof. B.P. Veerabhadrappe**

Vice - Chancellor

Honourable members,

Greetings & Good wishes,

It gives me immense pleasure to place the Annual Report of the Kuvempu University for the year 2020-21 (from 01-04-2020 to 31-03-2021).

Established in the year 1987, Kuvempu University has successfully completed 34 years of its existence. Established in the back drop of Western Ghats lush green scenic beauty, the University takes pride in offering Higher Education with commitment to social, academic and humanistic values.

The University has been imparting higher education framed keeping in view the challenges and the requirements of contemporary times with progressive thoughts. This is the reflection of the philosophical insights of literary luminary Dr. Kuvempu that is Manujamatha (The Religion Of Humanity), Vishwapatha (The Universal Path), Sarvodaya (The Welfare Of All), Samanvaya (Reconciliation), Poornadrushti (The Integral Vision) The University is progressive towards new horizons with new dimensions inculcating creative academic and administrative reforms. It is a matter of pride that the University has bagged “A” Grade by NAAC (National Assessment and Accreditation Council) and also 81 in NIRF. (National Institutional Ranking Framework-2021.) All these achievements have added new feathers to the cap of our achievements.

The students of the University have brought laurels and moments of pride to the University by virtue of their achievements in their respective fields and thereby cherishing the name of this university across the globe.

Our ambition is to place Kuvempu University amongst the top 100 Universities of the World.

I hope this Annual Report is symbolic of the pride of the University and I am pleased to place this report for perusal.

Yours Sincerely,

**(Prof. B.P. Veerabhadrappe)**

Vice-Chancellor

The University has not framed any Policy initiative for encouraging research activities by the students. The required information is furnished Online for procuring funds from UGC , DST –SERB, DST-WOS-A for research activities. As such 03 research scholars have procured funds from DST-WOS-A for research projects

**f. Consultancy :**

Many science departments have developed ties with industries by offering consultancy services. The departments of Biotechnology, Microbiology, Chemistry and Applied Geology have contributed significantly in this area. More importantly, the research in most departments meets the criteria of applicability and relevance. For instance, the research work produced in the last five years has direct bearing on recent developments in Pharmaceutical Chemistry, Tissue Culture, Water Harvesting, Water Management, Environmental Impact of Industrial Processes, etc. Such focused research produces research scholars who can be recruited by Research and Development wings of industries and also creates the knowledge base for the growth of science and technology.

University encourages faculties to undertake consultancy with industries and other extramural agencies and extend their services to socially useful enterprise. However, while undertaking consultancy, faculty members are ensured that there is no adverse effect on the reputation and integrity of the University and their commitment to academic duties.

The University encourages teachers to offer consultancy services. The academic credentials of the faculty attracts clients to seek consultancy. The University website showcases the expertise of the faculty members. The following departments are on demand for consultancy services from reputed agencies: Biochemistry & Biotechnology, Botany, Business Administration, Chemistry, and Geology.

**g. Spin Off Companies : -Nil-****h. Industrial Research :**

The collaboration of University - Industry has been established, Department of Industrial Chemistry and Microbiology have signed the MoUs.

**i. Recognition and awards to performers / achievers :**

- The University has instituted the Best Department Award for its overall research and academic performance. These awards are given every year. The departments of Applied Geology and department of Chemistry were conferred the awards. Rs.20000/- per Research paper for publication in Reputed Journals having more than 5 Impact factor (Clarivate ).
- Rs.50000/- per patent awarded.

### 31. Research contribution to State Policy making and realizing social responsibilities:

- Abiding social and research code of conduct,

#### b. Safe disposal of Chemicals / Radioactive Materials / Biological waste from student and Research labs / Research centre and Museums:

- Before disposal of chemicals, care is taken to dilute the chemicals properly and discharge the same into the local drains.
- Very small quantities of chemicals are being used for laboratory experiments.

- Usage of toxic chemicals are almost avoided.
- Takes precautions in disposal of radioactive materials.
- Separate waste collection and storage facilities are arranged.
- Pits are made for the Safe disposal of chemicals to ensure that no hazardous chemicals are exposed to the environment.

**c. Measures to Prevent Plagiarism :**

University Library has successfully adopted and utilises “URKUND Plagiarism Software Tool” since 2015-16, given by UGC through Inflibnet Centre, Gandhinagar, to prevent plagiarism in the research publications carried out in the University.

The University is committed to undertaking research with impeccable scientific integrity and in conformity with the accepted code of principles. It is mandatory for all Ph.D. students to undergo training in research methodology. Students registering for a research degree shall compulsorily attend these courses immediately after joining in order to inculcate best practices early in their research career. Students have to Publish is two research papers before submitting the Ph.D. thesis Evaluation of the thesis is being done by external experts. In addition, the University uses software to detect plagiarism. The University policy on plagiarism requires that if an error is detected after publication, the corresponding author shall request the journal to publish an erratum as soon as possible. If there are concerns and serious doubts about the authenticity of the data, the authors shall retract the paper from the journal.

A committee duly constituted by the University shall investigate complaints of alleged research misconduct by the research scholar and/or supervisor. The following sanctions will be imposed on any research scholar/research supervisor who is found to have committed research misconduct.

- In the case of scholars who have committed an act of plagiarism, his/her thesis/degree shall be forfeited, and his/her research registration shall be cancelled, and he/she shall be debarred from registering for any other program in the university.
- Retraction or correction of pending or published papers emanating from the thesis in question.
- For the abetment of such action, the recognition of his/her supervisor shall be withdrawn for a period of five years and he/she shall be debarred from guiding research scholars for any program in this university, till such period. However, till date no case of plagiarism has been officially reported.

**36. ICT Infrastructure :****a. Intra and Inter Campus connectivity for administrative and academic purposes :**

University Library provides campus wide network facility in the main campus and gives access to library sources and services for 24x7 hours. The same facilities give access to resources of national level universities/institutions through NDL programme. However, the University Library is not having EDUSAT facility.

**b. Library website connectivity with national and international network :**

Library has fully automated the activities of acquisition, technical processing, circulation, serials control and OPAC. Library has adopted technology in providing services to its users. Library receives and answers the users reference queries through e-mail. The referral service is being provided by directing the users to appropriate resources, institutions, persons, etc., when information resource in demand is not available with Library's collection. Library has made provision for alerting services. Newspapers in print version are searched for identification of news items regarding universities and scanned for taking electronic copy. Such news items are distributed through e-mail to the selected officials of the University. Bibliographic service through electronic mode is being provided to the users on request. Document delivery service is being extended under the UGC Infonaut programme. Reprographic services such as computer print-out and photo copies are being provided at minimum cost.

Library has 42 computers connected to the Internet. Thirty-five computers are available for Internet browsing by students, researchers and teachers. Two computers have been devoted for searching OPAC and remaining are being used in different sections of the Library.

Kuvempu University Library has initiated establishment of IR with the financial assistance extended by the UGC. The Library intends to keep Ph.D. theses and M.Phil., dissertations of the University; and research papers, books and project reports produced by the staff of the University.

The library has taken steps to identify the core e-resources available on the Internet and given a link to the University website besides hosting Ph.D. theses and M.Phil. dissertations in the Shodhganga database of the INFLIBNET centre and Institutional Repository of the University. Under UGC funded major project the P.G. Department of Library and Information Science also created a Kuvempu University Digital Repository for

periodical articles and conference papers published by the faculty members of the University till 2012 which accounts to 1856 articles.

The library has active participation in resource sharing activities. It avails facilities for accessing e-resources available under UGC- Infonet Digital Library Consortium.

The University is following the e-procurement portal provided by Government of Karnataka for university e-tenders.

❖ **e- Spandana**

This portal is being used by the University for answering Chief Minister's Janadarshan, Sakala, Non-sakala, e-janaspandana, janaagraha and RTI.

❖ **Dynamic Website([www.kuvempu.ac.in](http://www.kuvempu.ac.in))**

University website has been developed and maintained by UCCF and IT Cell. Website has been developed using PHP which has made it dynamic.

Teaching faculty are allowed to provide their information to the website as and when required by periodically updating their credentials.

**❖ Mail Server (url:www.mail.gov.in and domain name: username@kuvempu.ac.in)**

University mail server has been deployed in NKN Cloud. Mail ID's are given to officers of the University, departments, individual faculty members and officers of the non-teaching staff.

**❖ Evidence of Success**

The University has provided sufficient number of computer systems to administrative staff and faculty members. Each faculty is provided with the Laptops under the RUSA Project. All the departments have been well connected with internet through LAN and Wi-Fi with authentication server maintained and monitored by UCCF Center.

Training and Workshops about ICT usage have been conducted frequently to the faculty members, non-teaching staff, college principals and their office staff. Additional Secretary, Higher Education Council, Government of Karnataka along with National Informatics Centre is conducting Video Conference with University to address ICT issues every Monday from 9:15 AM to 12:00 PM. Video conference is being conducted by the University with college principals every Monday from 4:00 PM to 6:00 PM to address the issues pertaining to ICT and other issues.

**c. Teaching – learning processes:**

These include a cafeteria approach to education, improved technology-assisted participatory teaching-learning processes and greater emphasis on student feedback.

**❖ Research and development**

The University plans to create modern cutting-edge technology to provide international quality infrastructure and resource support to researchers of all the disciplines.

**❖ Community engagement**

To enhance academic programs interface with the local community.

**❖ Human resource planning and development**

For capacity building and enhancement of core competencies among students and faculty.

**❖ Industry interaction**

- It is planned to establish more Industrial Cells.
- Inter-institutional collaboration at regional, national and international levels for research, training and development in select areas.
- In curriculum designing major thrust is to be given to the employment avenues by arranging periodical industrial visits and campus interviews with the involvement of reputed industries.

**❖ Internationalization**

University has entered into MOUs for teaching-learning and research and bilateral exchange programs.

**d. Knowledge delivery systems:**

Endowment lecturers, refresher courses, national and international training workshops/seminars and faculty development programs are organized by the University periodically. Faculty members are also permitted to participate in academic development programs organized by other institutions within India and abroad. The University also collaborates with international research organizations, universities, NGOs, industries, and other stakeholders for assessing the needs and advancement so as to incorporate the same into curriculum and equip the students accordingly. The research dissertations are collectively maintained by the university library and are made available in the LAN connectivity. Practical manuals, text-books and other reading materials, prepared and published by the teaching staff are numbered and kept in the library. Teaching faculty are offered support and encouragement by the University in operating research projects, offering consultancies and publishing articles that primarily contribute to management of knowledge for social causes whenever new equipments are purchased, an operational demonstration is organized with prior intimation to all stakeholders training programs are held in the library or Computer Centre.

**e. Examination and Evaluation procedures:**

The entire examination is computerized using online process, by which the students and colleges can carry out their tasks online Internal marks are announced as soon as the academic year gets over and before the commencement of practical examination and valuation is carried out parallel to the examination. Result is announced online within the specified period of time.

**f. Security components in examination documents:**

Examination software is outsourced to ensure security. All the examination documents / Data are stored in the server and the entire examination process is carried out under the supervision of Registrar (Evaluation).

**g. Campus Security :**

For campus security, ex-servicemen and required manpower for maintenance of the campus have been hired through outsourcing agency. Security guards have been deployed at all entrance gates and Ex-servicemen are supervising the security. The supervisors are patrolling the campus continuously.

The campus has been fully secured and the entire supervision is done by Deputy Registrar, Estate.

In constituent colleges as well as at the P.G. Centres, Security has been ensured under the supervision of the Principal / Directors. Jnana sahyadri, Shankaraghatta Campus and all other campuses and buildings are under C.C.T.V. surveillance for foolproof security.

**h. Involvement of stakeholders in University development :**

The University always encourages the participation of all its stakeholders by creating a conducive and participatory intellectual ambience. All academic decisions are taken

after deliberations at the department, faculty and university levels providing opportunity for younger members to articulate their viewpoint. In addition, teachers are nominated to important committees, to hold administrative positions (as Registrar, Registrar (Evaluation), Director of Distance Education, Development ect.,). This grooms their leadership ability.

The faculty members are deputed to attend training programs for developing leadership qualities and such other skills essential for discharging their responsibilities very effectively. At the department level, staff members are entrusted with the responsibility such as Chief Superintendent to conduct examinations, Faculty Advisor to Departmental Library and Convener of departmental associations. The constitution of committees in the university has resulted in grooming faculty for leadership role besides achieving the goal of shared responsibility. Many staff members organize national and international conferences and workshops. Faculty members are entrusted with different leadership positions like Warden, Deputy Warden, NSS/NCC Officers, Placement cell officers, members of student grievances cell, office bearers of research board, etc.

**49. Vice-Chancellor's views :**

I have great pleasure in presenting the activities of Kuvempu University through this Annual report for the period from April 2020 to March 2021 with its commitment to become a University of Excellence at National and Global levels in the years to come.

The university is offering courses in UG, PG and PhD in Faculties of Arts, Science, Commerce and Management, and Education with related Departments. India is fast emerging as

a global hub of skilled and trained manpower and Kuvempu University keenly identifies with these thoughts in its academic endeavours both in terms of the content and quality of teaching. It is thrust of the University to improve upon its achievements relentlessly towards new horizons. About permanent teaching faculties and Guest Faculties are striving to bring academic excellence. About non-teaching staff form a very strong work force of our university.

In this regard, the University has initiated several steps to take Kuvempu University on the chosen path to achieve excellence by obtaining 'A' Grade by NAAC and NIRF (MHRD, Govt. of India) ranking 81<sup>st</sup> in 2021.

Kuvempu University has initiated all necessary academic and administrative measures to implement New Education Policy with a mission & vision of extending its benefits and advantages to the students who are the real stake holders of the University.

My goal is to shape Kuvempu University to be among the top 100 Universities of the world with new feathers to the cap of our achievement.

## **Core Values of Kuvempu University**

- Global Outlook – Regional Focus
- Commitment to Equity and Social Justice
- Conservation of Natural Resources and Cultural Heritage
- Human and Holistic View

### **Vision**

Kuvempu University Shall strive to become an international Centre of Excellence in teaching and research to provide high quality value – based education to all through various modes to meet the global challenges

### **Mission**

Foster Creativity in teaching, learning and research to build a knowledge base and promote quality initiative. Provide access to education to all development human resources to meet the Social needs

## **THE UNHOLD CONSCIOUSNESS (The song of the Universal Man)**

Be unhoused, O my soul !  
Only the Infinite is your forms goal !

Leave those myriad forms behind  
Leave the million names that bind  
A flash will pierce your heart and mind  
And unhouse you, O my soul !

Winnow the chaff of a hundred creed  
Beyond these systems, hollow as reeds,  
Turn unhorizoned where Truth leads,  
To be unhoused, O my soul !

Stop not in the unending way,  
Never build a house of clay  
The quest is endless, Night and day,  
There can be no end to your play,  
When you are unhoused, O my soul !

The infinite's Yoga Know no end  
Endless the quest you apprehend.  
You'll grow infinite and ascend  
When you are unhoused, O my soul !
