

4.2.1: Library is automated using Integrated Library Management System (ILMS) and has digitisation facility

Library: The library is continuously updated in terms of latest books, journals, e-journals and e-contents by the Librarian and Library staff. The Library's requirement will be of books and journals, e-journal. It prepares annual budget, updates and maintains the digital library setup. Procurement of books as per the requirement is initiated through library advisory committee headed by the Vice-Chancellor and representation of Deans of all Faculties. The library purchases books by inviting the requirement from various departments. The library maintains OPAC system for maintaining digital indent of books available in the library. All the books have been bar-coded and issued against the card through Smart Card management system.
