About the University

Kuvempu University is an affiliating University established by State Government of Karnataka in 1987, and recognized by UGC under 2(f) and 12(b). The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru.

The University has been named after great Kannada writer **Shri. KUVEMPU** and has achieved a distinctive academic profile and a cultural identity of its own. Kuvempu University is a confluence of the local and the global; of the regional and the pan-Indian; of the sustenance provided by tradition and the dynamism provided by modernity; of a deep sense of commitment to the socially and culturally disadvantaged and an equally deep commitment to excellence.

Kuvempu University has been ranked in 100-150 Band in the prestigious National Institutional Ranking Framework (NIRF) of Ministry of Human Resource Development, Government of India for the year 2023. Further more, The Knowledge Review a renowned journal has named the University as one of the top ten inspirational educational institutions in the faculties of Arts and Commerce. The University is also placed in the top 200 in the list of BRICS Universities.

The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called **Gajahamsa** is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth.

It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers under-graduate, post-graduate and Ph.D programmes in a wide range of disciplines. It has 38 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology.

Jnana Sahyadri, the main campus sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university are constructed on small hillocks, blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

- (1) **Post-Graduate Centre, Kadur:** With the objective of providing higher education to rural youth, Kuvempu University established a Post-graduate Centre at Basavanagara, Kadur. It is spread over 60 acres near Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Four courses are offered here; M.Com, MA Economics, M.Sc. Chemistry and M.Sc. Pharmaceutical Chemistry. It has separate hostels for boys and girls.
- (2) **Post-Graduate Centre, Chikkamagaluru:** To further promote the motto, 'Quality Education for all' and to encourage rural students in seeking admission to Post Graduate programmes, University has started one more centre at Chikkamagaluru. Four courses are offered here: M.Com, M A Kannada, M.A. Political Science and M.Sc. Mathematics.
- (3) **Affiliated Colleges:** The University has 89 affiliated colleges including 3 constituent colleges, out of this 31 Government colleges, 35 private colleges, and one college under the direct area of campus administration of the University, spread over the two districts offering Under- Graduate and Post-Graduate Programmes. Among them, 19 colleges offer B.Ed. programme; 38 colleges have been assessed and accredited by NAAC; and 50 colleges are admitted to 2(f) and 12(b).

- (4) **Constituent Colleges:** Sahyadri Arts College, Sahyadri Commerce and Management College, and Sahyadri Science College, the erstwhile government institutions, are now the Constituent colleges of Kuvempu University. These colleges have contributed illustrious persons to every important field. Among the celebrities who are the alumni of the colleges are Dr. U. R. Ananthamurthy, Jnanapeeta awardee; Prof. C. N. R. Rao, eminent Scientist and Bharatha Ratna awardee; Sri. K. V. Subbanna, Magsaysay awardee; and Sri. D. H. Shankaramurthy, Speaker of Legislative Council and former Minister of Higher Education, Government of Karnataka. Both the colleges have been recognized as Colleges with Potential for Excellence by the University Grants Commission. Sahyadri Colleges are celebrated Platinum Jubilee.
- (5) **Directorate of Distance Education (DDE):** To foster university-society relationship with the motto, **Education for All**, the Directorate of Distance Education of the university is offering 03 under-graduate (Arts) and 08 post-graduate (Maths /Arts /Commerce) courses under online learning mode.
- (6) **Prasaranga:** Prasaranga, the publication and extension wing of the University, plays a key role in disseminating knowledge and in building a bridge between the academic world and the society at large. The varied activities of the Prasaranga are mainly of three kinds viz., extension lectures, publication of books and publication of university newsletter.

Student Amenities

The university provides many facilities to the student community and some of these facilities are as follows.

- (1). **Library:** The Library is housed in a modern and well equipped building with excellent infrastructure facilities for reading, borrowing and reference to the students, teachers and research scholars of all Departments. The library has kept pace with modernization by adopting cutting-edge information and communication technology. The library serves its users with traditional print sources such as books, reference sources, journals, magazines, reports, theses, dissertations, etc. Also the library provides access to online resources such as e-journals, e-database, and e-portals. The library has access to more than 7000 e-resources under the e-Shodhsindhu programme of the UGC- Inflibnet Centre. The library has also been provided with excellent facilities for the self learning of the academic community beyond working hours.

Green Library: The University offers a unique experience of browsing hundreds of books and journals and other resources through Wi-Fi, to students sitting in a lush green natural forest. The green library is established in a cool, calm, serene bamboo forest surrounded by trees and creepers, occasionally filled with music from birds in the campus.

- (2). **Hostels:** There are Three hostels for the post-graduate students on the main campus - two men's hostels and one women's hostels. Besides, there is a working women's hostel and hostel for research scholars. The hostel for students belonging to backward classes and minorities (established near the main campus by the Government of Karnataka) provides hostel facility exclusively for the post-graduate students of the university. Students are advised to apply for hostels immediately after admission (on the same day). Even at P. G. Centre, Kadur, there are two hostels for the students.

However, accommodation in the hostels is limited. Some details about Faculty Advisors are given below.

Note: 10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format. As per the University order No.KU:AC:AC-4:121(B)/1321/2019-20, Dated :07-06-2019.

Note:

- a. NCC, NSS, Sports, CDP (Children/Dependents of Defence Personnel), PwD (Person with Disability), KM (Kannada Medium from Standard I to X) and GdM (Gender Minorities): The seats under special categories are non-transferable, and they are filled only with available eligible applicants. However, if there are no eligible applicants for CDP, the seats shall be transferred to merit- cum-payment seat (Kuvempu University students). In respect of applications received under CFF (Children of Freedom Fighters) quota, the applications shall be referred to the Registrar for necessary orders.
- b. If there are no eligible applicants for seats under Other University (OU, merit seats) and/or Hyderabad-Karnataka (HyK) quota, the unfilled seats shall be transferred to GM seats (Merit). [Note: The seats under OU Quota are at 15% of total merit seats (excluding special categories). Therefore, total number of merit seats in Column-3 do not include these OU seats].
- c. In the case of MSW, 20 seats are reserved for BSW candidates and 20 seats for multidisciplinary graduates.
- d. Admissions for MCA and MBA courses are made through PG CET conducted by KEA, Bengaluru. However, a separate Entrance Test will be conducted by Kuvempu University to fill up unfilled seats.
- e. Under merit-cum-payment category,
 - (i) 3 seats (1:1:1) are reserved for SC and ST students of Kuvempu University, and children of Kuvempu University employees.
 - (ii) Of the remaining, specified number of seats are reserved for applicants from other universities (for OU and HyK candidates).
 - (iii) The remaining seats are for KU candidates.
For example, in the case of M.A (Kannada), there are 10 seats under Merit-cum-Payment quota (3 +3 + 4) and these 10 seats are shown in the last but one column (in the above table) as '3+3+4'. This means,
 - (i) The first three seats are for SC, ST and children of Kuvempu University employees (one each),
 - (ii) Next three seats are for OU applicants, and
 - (iii) The last four seats are for Kuvempu University graduates.

However,

If any of these seats fall vacant, the seats shall be transferred to merit-cum-payment seats(Kuvempu University candidates).

But in the case of SC/ST, the seats are inter-changeable. However, if there are no eligible and willing applicants from both SC/ST categories, the unfilled seats shall be shifted to merit- cum-payment seats (Kuvempu University candidates).

If there are no eligible and willing applicants from Kuvempu University graduates, the unfilled seats shall be shifted to merit-cum-payment seats (OU students).

All candidates admitted under merit-cum-payment category are required to pay the actual fee for merit-cum-payment category prescribed by the University, irrespective of their category/income, etc. 10% of the General Merit (GM) seats are reserved for Economically Weaker Sections (EWS) on production of the certificate in the prescribed format.

V. Mode of Admission:

Admission of candidates depends upon the availability of seats in the order of merit in the respective reservation category. The information given in this Prospectus is for general information of the students. The relevant rules relating to admission, fees and other details will be effective as prevailing at the time of admission.

- (a) There is a centralized system of admission for Post-Graduate Courses of Kuvempu University. Each Department will have an Admission Committee comprising the Chairperson and members of the faculty of the Department as constituted by the university and concerned School Director for this purpose.
- (b) In all stages of admission, the admission committee shall obtain the approval from the Dean of the Faculty concerned.
- (c) The Admission Committee verifies the applications and documents/certificates and prepares a consolidated merit list, in descending order of merit on the basis of the percentage of marks secured by the candidates in the qualifying examination (or entrance test or both).

(d) The above list/s will be announced on the University website. The lists will also be uploaded to the university website. No intimation will be sent to the candidates separately for their admission. Hence, the applicants are advised to see the University website www.kuvempu.ac.in The admission committee makes the admission on the scheduled date and time (as specified in **Dates of Events**).

(f) Candidates shall personally appear for the admission with all originals documents and certificates, prescribed fees and photographs. Applicants are required to report at the **counselling centre of the Department concerned before 10.00 am** on the date/s of admission (see, **Dates of Events**) and remain throughout admission. The applicants should occupy the chairs in the room specified by the Department concerned in time on the date/s of admission, and not leave the room till the completion of admission. Further, the candidates are required to note that **the delay in the arrival of candidates at the admission venue even by a minute may deprive them the seats.**

- (i) First 3 seats (1+1+1) are reserved for SC, and ST students of Kuvempu University, children of Kuvempu University employees (i.e., one seat to each of these three categories).

Note:

- (i) Applicants claiming seats under 'Children of Kuvempu University employees' quota have to produce an eligibility certificate signed by the university Registrar.
- (ii) Of the remaining, a specified number of seats are reserved for OU candidates where the quota (15%) is adjusted with HyK and OU under merit seats.
- (iii) Remaining seats are for KU candidates. However,
 - (a) If any of these seats fall vacant, such seats will be filled with Kuvempu University applicants on merit-cum-payment basis.
 - (b) But in the case of SC and ST, the seats are inter-changeable. If no eligible applicant is available from both the categories, the vacant seat shall be shifted to Kuvempu University students on merit-cum- payment basis.
 - (c) If there are no eligible applicants from Kuvempu University graduates, the vacant seats may be filled with OU applicants under merit-cum-payment basis.
 - (d) All candidates admitted under merit-cum-payment quota are required to pay the actual fee for merit- cum-payment category prescribed by university (at the time of admission) irrespective of their caste and annual income.

NSS/NCC Quota: Criteria for ranking and selection of students under NSS/NCC Quota are given below.

- (1) The admission is limited to students of Kuvempu University only.
- (2) Claim under the quota is considered only when photocopies of specific certificates are attached.
- (3) The camps/programmes attended during PUC level and prior to that are not considered.
- (4) Ranking of NSS/NCC Quota applicants and preparing the merit list is based on two important criteria viz., marks secured in the qualifying examination and performance in NSS/NCC activities.
- (5) Weights for the marks secured in the qualifying examination shall be awarded in accordance with Schedule.
- (6) The Admission Committee of the Department may evaluate the NSS (Schedule – B: 50%)/NCC (Schedule - C: 50%) related documents of the applicants, or forward them to the NSS /NCC programmeco-ordinator of the university for evaluation. However, in the case of any ambiguity, the weights awarded by the NSS/ NCC Co-ordinator (based on the documents submitted by the applicants) is final.
- (7) The admission committee shall combine marks secured as per schedules A and B (for NSS quota) or Schedules A and C (for NCC quota), and prepare the rank list and admit students accordingly.

Choice Based Credit System (CBCS) – Excerpts from Regulations

The Post Graduate Courses of Kuvempu University are governed by the Choice Based Credit System (CBCS) – **Choice** referring to the flexibility offered to the students for selecting a suitable combination of courses or papers and the **Credit** referring to the unit by which the teaching/course work is measured. CBCS is learner centred by eliciting active participation of teachers establishing close interaction between the teachers and the students that contributes towards quality of education.

- (1) **Structure of P. G. Programmes:** There are four categories of courses viz., Hard Core Courses, Soft Core Courses, Elective Courses and Soft Skill Courses for every P. G Programme.
- (a) Hard and Soft Core Courses are the courses offered by the Department concerned. Each student shall compulsorily undertake project work leading to Project Report. The credits for each Hard Core Course ranges from 3 to 6 and that of Soft Core Course from 2 to 4.
- (b) Elective Courses are the courses offered by other Departments. Each elective course carries 2 wrights. Students of all P. G. Programmes shall select, study and successfully complete atleast one Elective Course (out of a number of Elective Courses offered by other Departments, List of Elective Courses is given later) each in II and III Semesters earning atleast four credits.
- (c) Besides, there are three Soft Skill Courses viz., Communication Skills, Computer Skills and Life Skills. These Courses are offered by the Departments of Studies in English, Computer Science and Commerce respectively for the students of all Departments of P. G Studies. Each of these three courses carries one credit and there shall be no semester-end examination for these courses. However, to successfully complete the Master's Degree, every student must complete these courses earning three credits within the first two semesters.

(2) **Continuous Assessment Programmes and Evaluation**

Out of the total marks for each course, 25 marks are earmarked for Continuous Assessment (Internal Assessment) and the remaining 75 marks for the semester-end examination. Internal assessment marks are awarded on the basis of the following components.\

Sl. No.	Continuous Assessment Programme	Maximum Marks
01	Two Session Tests (5 marks per test)	10
02	Seminar/Group Discussion (assessed on the basis of writing, comprehension, communication, articulation, and presentation skills)	5
03	Field Work and/or Assignments Regularity and Attendance	5
04		5

In the case of elective courses, each elective course carries a maximum of 50 marks comprising 40 marks for semester-end examination and 10 marks for internal assessment. In this case, internal assessment marks are awarded to the students based on a test (5 marks), assignment-cum-group discussion (2.5 marks), and regularity of the students in attending the classes (2.5 marks).

- (3) **Semester-end Examination and Evaluation:** Semester-end examination of three-hour duration for 75 marks is conducted for each of Hard and Soft Core Courses. However, in the case of Elective Courses, the semester-end examination is for 40 marks for 1½ hours for each course. Project Reports and answer scripts of the semester-end examination are evaluated by two examiners (one internal and another external; however, under no circumstances a script/project report is valued only by two internal examiners). The marks awarded to that answer script/project report is the average of these two evaluations. If the difference in the marks between two evaluations exceeds 20% of the maximum marks, such a script/project report is valued by a third external examiner. The marks awarded to that answer script or project report shall be the average of two nearer marks out of the three evaluations. In the fourth semester, the project report shall be evaluated for 75 marks by both internal and external examiners. And for the remaining 25 marks, project viva-voce examination shall be conducted by the Board of Examiners. For the purpose of evaluation, answer scripts are coded. There is also a provision for challenge valuation.
- (4) **Grading and Declaration of Result**
- (a) **Grade** means an index of conversion of marks secured by a candidate after completing the prescribed credits and relevant examination in each course
- (b) **Grade and Credit Points** are computed for each course considering the marks secured and the credits earned in each course. **Grade Points** are computed by dividing the marks secured by the candidate in each course by 10% of the maximum marks for that course. And **Credit Points** are determined by multiplying the Grade Points in each course by the credits of that course. Both the Grade Points and Credit Points shall be computed for each course in each semester
- (c) **Grade Point Average (GPA)** is computed and given to each candidate based on his/her semester performance. This is determined by dividing the sum of credit points earned by the student in all the courses of a semester by the total number of credits for which the candidate has taken examination in that semester
- (d) **Cumulative Grade Point Average (CGPA)** is computed for the whole academic programme considering the aggregate of Credit Points of all the semesters earned by the student and dividing this sum by the total credits of all the semesters
- (e) The CGPA obtained as above is the base for the determination of Grade and for the declaration of the result as follows.

CGPA	Result grade	Description of Result Grade
< 4.50	D	Fail
≥ 4.50 < 5.00	C	Pass
≥ 5.00 < 5.50	B	Second Class
≥ 5.50 < 6.00	B+	High Second Class
≥ 6.00 < 6.50	A	First Class
≥ 6.50 < 7.50	A+	High First Class
≥ 7.50	A++	First Class with Distinction

Post-Graduate Centre, Kadur

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

DEPARTMENT OF PG STUDIES AND RESEARCH IN SOCIOLOGY

The Post Graduate Department of Sociology, Kuvempu University, has completed 36 years since its inception in 1988. To reflect on our march towards research and teaching in sociology for a better understanding of social processes in our small way, we are not unhappy. Within the boundaries of limited infrastructural facilities and a relatively small faculty, the Department can engage in introspection with confidence. There have been periodic evaluation and changes in the syllabus in response to developments in the discipline. The Department has introduced the Choice Based Credit System (CBCS).

The attempts of the Department, have mainly concentrated on the application of sociological principles to our immediate surroundings through conceptual and theoretical debates- both within the classrooms and outside. With M.A., and Ph.D programmes, teaching has been the first priority although research has received due attention. The faculty has entered into dialogue, regularly and continuously, with the outside academic world in seminars, workshops, conferences and Publications. Research, backed by valid and reliable information base, has centered on local and regional issues. Attempt was to combine the macro and the molecular. Inter-Departmental and multidisciplinary work was valued.

DEPARTMENT OF PG STUDIES AND RESEARCH IN COMMERCE

The Department of Postgraduate Studies and Research in Commerce at Kuvempu University, established in the academic year 2006–07, has grown into a vibrant centre for higher learning, research, and academic excellence in commerce. It was founded with the objective of catering to the increasing demand for advanced commerce education and to nurture professionals who can meet the challenges of a rapidly transforming global business environment. Over the years, the department has been instrumental in shaping students into competent academicians, researchers, professionals, and entrepreneurs. To maintain academic relevance and quality, the M.Com curriculum underwent a comprehensive revision during 2024–25, with the updated syllabus set to be implemented from the academic year 2025–26. This revision reflects the department's commitment to aligning its academic offerings with emerging trends in commerce, technology integration, regulatory changes, and industry needs. Commerce education, particularly at the postgraduate level, equips students with critical knowledge in accounting, finance, business law, taxation, marketing, and strategic management, enabling them to contribute effectively in corporate, public, and research sectors. The M.Com programme not only enhances subject-matter expertise but also promotes analytical thinking, ethical business practices, and leadership skills making it a valuable qualification for those aspiring to excel in teaching, research, consultancy, and high-level management roles.

Second Semester

HC2.1 Yoga Education

HC2.2 Health Education and Environmental Studies Organization and Administration

HC2.3 Organization and Administration

SC2.1 Contemporary Issues in Physical Education, Fitness and Wellness

SC2.2 Sports Nutrition and Weight Management

Practicals: Track and Field (jumping events), Yoga and Aerobics, Games: Kabaddi, Handball, Cricket (any two).

Teaching Practices: Five lessons in class room teaching and five lessons in outdoor activities.

Activities: Lezium. Marchpast, Mass P T, Dumbbells, Wands and Hoops.

Third Semester

HC3.1 Sports Training

HC3.2 Computer Applications in Physical Education

HC3.3 Sports Psychology and Sociology

SC3.1 Sports Medicine, Physiotherapy and Rehabilitation

SC3.2 Curriculum Design

Practical: Track and Field (throwing events), Judo and Wrestling, Games: Hockey, Volleyball and Softball (any two).

Teaching Practice: Teaching Lesson Plans for games - out of 10 lessons 5 internal and 5 external at practicing school.

Fourth Semester

HC4.1 Measurement and Evaluation in Physical Education

HC4.2 Kinesiology and Biomechanics

HC4.3 Research and Statistics in Physical Education

SC4.1 Theory of sports and Game

SC4.2 Sports Management

Practical: Track and Field (others), Games: Specialization – Kabaddi, Kho Kho, Volleyball, Cricket, Football, Basketball, Hockey and Handball (Any One of these)

Teaching Practice:

1. Sports specialization: Coaching lessons Plans (One for Sports 5 lessons),
2. Games specialization: Coaching lessons Plans (One for Games 5 lessons).

Course-III : P. G Diploma in Yoga Studies

This dual degree course in Yoga intends to provide the skill and understanding of art of Yoga. It helps the students to undertake a comprehensive study of traditional yoga system along with the modern approach. This course is most useful to pursue the profession as yoga teacher in educational institutions and yoga kendras. It is a one year programme.

Eligibility: Any graduate degree

Course Structure

Theory

1. Introduction to Yoga
2. Anatomy, Physiology and Yogic Practices
3. Teaching Methodology
4. Hatha Yoga and Gheranda Samhitha

Practical

1. Asanas, Bhandas and Mudras
 2. Kriyas, Pranayama and Meditation
 3. Teaching lessons
- SC-2 Plant Bio Technology
- SC-3 Plant Morphogenesis and Reproductive
Biology of Angiosperms
- Interdisciplinary Elective: Plants for Human Welfare

Fourth Semester

Hard Core papers

HC-1 Ethno botany, Medicinal plants,
and Plant Resource conservation.

HC-2 Molecular Biology and Genetic Engineering
of plants.

DEPARTMENT OF PG STUDIES AND RESEARCH IN APPLIED BOTANY

Post Graduate Department of Studies research in Applied Botany Was established during academic year 1993 since then the department is actively engaged in teaching in Applied Botany Currently the department is offering M.Sc., and Ph.D. Programme in Botany. The department is engaged in research and extension activities in the area of bio-diversity, Conservation and sustainable utilization of crop plant as well as wild plants genetic resource, after in citation of the department, it has conducted several seminars, conference. And refresh Courses there are several major research projects ongoing an completed which are funded by Department of Science and technology (DST), Department of Bio-technology (DBT) and Ministry of Environment and Forest (MOEF), University Grants Commission (UGC), New Delhi.

Programmes offered: M.Sc. and Ph.D

1. Dr. Raja Naika

Senior Professor & Chairman
Department of Applied Botany
Kuvempu University,
Jnanasahyadri
Shankaragahatta.

2. Dr. Y L Krishnamurthy

Senior Professor

3. Dr. Shrishail

Asst. Professor

Course offered: M.Sc. Botany

Eligibility : B.Sc degree from Kuvempu university or any recognized Indian University or any other degree with Botany as optional, major / special subject or combination of Chemistry, Botany, zoology / Biochemistry, Botany, Microbiology / Chemistry, Botany, Sericulture / Biology, Botany, Chemistry Course.

Course Structure :(New Scheme)

First Semester

Hard Core-1 - Phycology and Mycology

Hard Core-2 - Biology of Bryophytes, Pteridophytes and Gymnosperms

Hard Core-3 - Plant Taxonomy, Phytogeography and Evolutionary Biology

Soft Core. 1 - Palaeobotany and Palynology

Soft Core- 2 - Bio fertilizers

Practical paper based on Theory paper

Second Semester

Hard Core-1 - Plant Ecology and Environmental biology

Hard Core-2 - Cell Biology, Genetics and Plant breeding

Soft Core-1 - Techniques in Plant Biology

Soft Core-2 - Plant Pathology

Inter Disciplinary Elective (IDE) - Floriculture

Floriculture

Third Semester

Hard Core-1 - Plant Morphogenesis and Reproductive biology of Angiosperms

Hard Core-2 - Plant Physiology and Biochemistry

Soft Core-1 - Plant Diversity and Human Welfare

Soft Core-2 - Plant Bio Technology

Inter Disciplinary Elective IDE- Plants for Human Welfare

Plants for Human Welfare

Fourth Semester

Hard Core-1- Ethno botany, Medicinal plants, and Plant Resource conservation.

Hard Core-2- Molecular Biology and Genetic Engineering of plants.

DEPARTMENT OF PG STUDIES AND RESEARCH IN APPLIED ZOOLOGY

The Post Graduate Department of Applied Zoology was started in 1993. The Department offers P.G., Programme M.Sc., in Zoology and Ph.D., in Applied Zoology. Major thrust areas of the Department include Genetics, Biodiversity, Toxicology. M.Sc students are trained in various aspects of Zoology including Genetics, Molecular Biology, Toxicology, Biotechnology, Computational Biology, Biodiversity etc. Department has got a very good placement record of students. The faculty have completed many research projects funded by the Department of Science and Technology (DST), Department of Biotechnology (DBT), University Grants Commission (UGC), New Delhi, Vision Group on Science and Technology, ICFRE, Government of Karnataka. In addition, Department has been part of the inter-disciplinary BUILDER Project associated with Departments of Biotechnology, Botany and Environmental Science. Department has conducted many national conferences, symposia, seminars, workshops and refresher courses.

Programmes Offered : M.Sc., and Ph.D.

DEPARTMENT OF STUDIES IN BIOTECHNOLOGY

Department of Studies in Biotechnology was established in 1999. This is a DST-FIST sponsored department with state-of-the-art infrastructure for research and learning resource. It has received infrastructure grants from DST in FIST scheme and DBT in BUILDER scheme in collaboration with sister department such as department of Applied Botany, Applied Zoology and Environmental Science. The department faculty have also received DST, ICMR- (Govt. of Karnataka) and VGST (Govt. of Karnataka). The funds received by the department stands up to 6 crores. The department has excellent placement record, aided by strong alumni association and alumni network, both private as well as public sectors. The department encourages active student engagement in extracurricular activity through Biotech Forum. Apart from academic pursuits, the Department of Biotechnology also organizes seminars, workshops, conferences, and guest lectures by renowned scientists and experts from academia and Industry. These events aim to enhance the knowledge base of students by exposing them to current trends and developments in the field.

DEPARTMENT OF P.G STUDIES AND RESEARCH IN FOOD TECHNOLOGY

The Department of Food Technology was established in the year 2022. The department aims of promoting innovation in food sectors. MSc in Food Technology course content is provide to explore all aspects of Food Technology. Experimental training and theoretical knowledge will help to shape the candidate to opt for jobs in various domains such as food processing companies' soft drink manufacturing firms, restaurants, cereal and spice industries, catering establishments, Quality control organizations, Packaging Industries and other food sectors like Dairy Industries and food research laboratories. Moreover, there are specialized career prospects in food manufacturing and processing companies like Amul, Coca Cola, Preftti, Nestle, Cadbury India, Dabur India, Agro Tech Foods, Britannia, ITC Limited, Hindustan unilever Limited as well as National and International research institutes.

DEPARTMENT OF STUDIES IN WILDLIFE AND MANAGEMENT

The Department of Studies in Wildlife and Management was started during the year 2002. The Department offers M.Sc., and Ph.D courses in Wildlife and Management. The course content is designed to cover all aspects of wildlife and management and practical orientation for wildlife conservation methods. The M.Sc., and Ph.D programme in Wildlife and Management aims to produce well- trained biologists and conservation practitioners who will retain their passion for wild places and a sense of purpose to conserve them. We provide our students a strong foundation of science that will help them design, implement and monitor a range of ecological studies and conservation projects. To develop these capabilities, our students learn about wildlife science and conservation through a multidisciplinary process. They are trained in fundamental ecology, project design skills and technical tools required to carry out scientific studies. As future conservationists they need to expose to the historical, social, economic, legal and political contexts that underlie the conservation process. In addition, we also teach effective communication using a variety of media, conflict resolution, and problem-solving skills, to deal with real life conservation issues. The department also inviting accomplished scientists regularly from various prestigious government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes. The students who have successfully completed the course have been working in various capacities in Karnataka State Forest Department, Research institutions, NGO's and Universities. During the past 20 years of existence. the Department has successfully completed Two major and one minor research projects funded by UGC, New Delhi. Department produced 17 Ph.Ds, 01 M.Phil and published more than 95 research papers in various refereed / peer reviewed journals. Presently 08 students are pursuing Ph.D.

DEPARTMENT OF STUDIES AND RESEARCH IN PSYCHOLOGY

Kuvempu University runs a two year M.Sc. Psychology programme at Kateel Ashok Pai Memorial College (KAPMC), Shivamogga, a College affiliated to the university. The course has been offered at KAPMC since 2020. To meet the challenges of Mental Health in contemporary society there is a dire necessity of providing higher education in Psychology. It is also a subject which is an essential component of interdisciplinary research in social and medical sciences. Employment and research opportunities have opened up at clinics, industries, corporate sectors, counseling centers, research and educational institutions which are likely to increase manifold in the post-COVID context. The M.Sc. Psychology programme has been designed by the university to blend theoretical knowledge and practical experience. KAPMC is a unit of Manasa Trust which also provides mental health facilities to about 250 distressed individuals every day. As such students will be given firsthand experience of the application of psychology. KAPMC has experienced faculty and all required facilities to enrich learning

Eligibility: Candidates who have passed the bachelor degree examination with psychology as an optional subject for 3 years of study can apply. They should have obtained a minimum of 50% in the aggregate marks in the subject of psychology at the bachelor's degree examination in case of general merit category and 45% in case of SC/ST candidates. Admissions shall be made on the basis of 50% of marks obtained by the candidate in the written test and 50% of marks obtained in the aggregate of the optional subjects. The specializationsinclude:

1. Clinical Psychology
2. Industrial and Corporate psychology

Entrance Test: The written entrance test consists of 100 objective type questions, answered in 100 min. duration, for a maximum of 100 marks. Questions will be aimed at testing the aptitude of the candidate as well as familiarity with the relevant subject. Entrance test shall be held at KAPMC on the notified date.

Please note: The M.Sc. Psychology programme is a bonafide course of the university and admissions shall be made at the university.

DEPARTMENT OF STUDIES IN BIOCHEMISTRY

The Department of Biochemistry was established in the year 2005. The M.Sc. course content is designed to cover all aspects of biochemistry and practical orientation for biochemical methods. The exhaustive practical training and sound theoretical knowledge being provided here is intended to make the student an appropriate candidate for not only to take up teaching or pursuing doctoral research but also competent enough to work in pharmaceutical R&D, diagnostic labs, medical, agricultural research institutions and various allied industries. The department also invites accomplished scientists from various prestigious institutions in India and abroad to deliver special lectures in order to encourage and motivate the students.

Programmes Offered : M.Sc., Ph.D and PG Diploma in Industrial Bioanalytical Techniques.

DEPARTMENT OF STUDIES IN CHEMISTRY

The Department was established in the year 1992. The Department is actively involved in teaching, research and extension programmes. Thrust areas of research includes Bio-organic Chemistry, Synthetic Organic Chemistry, Natural Products Chemistry, Electrochemistry, Metal Finishing, Nanomaterials, and Dyes and Pigments. All the faculty members have been awarded with major research projects from various funding agencies. The Department is active in various academic activities like conducting seminars, symposium and conferences. The Department also conducts placements programmes for the students. Department is funded by DST-FIST and UGC-SAP program for the infrastructure development.

DEPARTMENT OF STUDIES IN INDUSTRIAL CHEMISTRY

The Department of Post Graduate Studies and Research in Industrial chemistry was established by the University Mysore in 1973. The Department has been harnessing precious human resources for the overall development of society through the pursuit for excellence in the area of chemical sciences. Besides its primary activities of academics, teaching and research, the Department has been interacting with industrialist and established a mutually beneficial relationship with the nearby industries. In this direction, the department has initiated several programmes such as the taking Industries sponsored projects involving testing and analysis of raw materials and products, encouraging students to take up project related to their studies to acquire work experience, inviting executives and technical staff of the Industries as guest faculty.

As a part of University Institution interaction the Student are acquiring higher level of training at BARC, IISc, NAL, IIT, etc. The Staff members are actively involved in cutting-edge research activities in collaboration with Institutes and some Foreign universities in the field of Chemicals Sciences and have received fund worth of 7.2 crore from various funding agencies like DST, Nano Mission, UGC and NRB, New Delhi and BRNS Mumbai. The Department has produced 132 Ph.Ds and 10 M.Phil degrees, and Published 668 Research Papers Peer reviewed National and International Journals. The Department has links with many Industrial Organization as a result of which, every year, many students pursuing the training at advanced Laboratories of ISO Certified Industries. In the Campus Selection Programme, more than 65% students are obtained placements in reputed organizations. The staff members are involved in consultancy services with Mysore Paper Mills Ltd., Bhadravathi, Few M.Sc. and P.G. Diploma Students of the Department work in MPM. on hourly basis while they are studying under "earn while learn" Scheme of the Department.

Programmes Offered: M.Sc., Ph.D, and P.G.D.in Industrial Chemical Quality Control.

**DEPARTMENT OF STUDIES IN PHARMACEUTICAL CHEMISTRY (P.G.
CENTRE, KADUR)**

The Department of Pharmaceutical Chemistry was established in the year 2007. The course is designed to provide trained and skilled man power for ever growing Pharmaceutical Chemistry in India. The department has experienced and reputed faculty member with international recognition. So far, the member of the faculty have produced Ph.Ds and published research papers in national and international journals of repute and have patents. The faculty members have visited England and Italy for post-doctoral research and for presentation of their research papers. The department strongly encourages M.Sc., students to get actively involved in research activities and helps to get high lucrative scientific job opportunities.

Programmes Offered: Ph.D.

Eligibility: M.Sc., from recognised university, with Pharmaceutical Chemistry/ Industrial Chemistry/ Chemistry as subjects or M. Pharm. from a recognised University.

DEPARTMENT OF STUDIES IN APPLIED GEOLOGY

The Department of PG Studies and Research in Applied Geology offering to Separate innovative and Multidisciplinary M.Sc. and Ph.D courses in Earth Science and Resource Management(ESRM) (UGC- Innovative Programme) and M.Sc. in Remote Sensing Applications (MRSA). The Department is recognised by UGC as a nodal centre for Earth Science and Resource Management Studies. The department is highly equipped, sophisticated laboratories established from the funds received from UGC under innovative and SAP – DRS-I, II and III and also by department of Science and Technology (DST) under FIST program.

Programmed Offered: M.Sc ESRM, M.Sc. Geoinformatics and Ph.D.

Course: M.Sc. in Remote Sensing Applications

Remote Sensing Applications programme is specially developed and conceptualized to provide training in the field of spatial information science and technology one of the upcoming field of IT. The graduates and professionals who get training in this application oriented programme can effectively utilize the technology in various fields such as Agriculture, Forestry, Wildlife, Infrastructure planning, Disaster Management and Natural Resource Management.

Eligibility: A Bachelors Degree in Science, Bachelors Degree, Engineering (Civil, Environmental, Mining, Geotechnical, Geoinformatics), B.Sc. (Agriculture, Forestry, Horticulture, Soil Science) from any Indian University or Equal and qualification recognised by Kuvempu University. Eligibility for Foreign Students will be in accordance with the University regulations. The General admission criteria are based on Kuvempu University Guidelines.

DEPARTMENT OF STUDIES AND RESEARCH IN ENVIRONMENTAL SCIENCE

The Department was incepted in the year 1991-92 to foster research and studies in Environmental Science. The department encourages interdisciplinary collaboration and contributes to scientific advancements and practical solutions. The department equips students with skills needed for careers in academia, industry, government and non-profit organizations by offering practical experiences and networking opportunities. The Department promotes environmental awareness and stewardship through outreach program, partnerships with local organizations and public education initiatives and engages in policy research and advocacy.

The department has established collaborations with several esteemed institutions, including the National Centre for Biological Sciences–Tata Institute of Fundamental Research (NCBS–TIFR), Bangalore; the Centre for Environment Education (CEE), Ahmedabad; and the Environmental Management and Policy Research Institute (EMPRI), Bangalore. At the international level, the department collaborates with the University of Greifswald, Germany, and Uppsala University, Sweden.

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN COMPUTER SCIENCE AND M.C.A

The Department offers two Post-Graduate Courses Viz Master of Computer Applications (M.C.A) and M.Sc.(Computer Science). MCA programme was started in the year 2000 and M.Sc. Computer Science. programme was started in the year 2003. The department has well equipped laboratories with 60 Desktop Computers with higher end configuration. The department invite resource persons from reputed multinational companies (MNC's), universities and R&D Institutions, The department organizes seminars, conferences, and workshops, for mutual benefits. The department has provided opportunities for the fullest possible development of potential for all students who are from diverse backgrounds.

Alumni of the department are well placed in Software Industries, Academic and research Institutions and few as entrepreneurs. Alumni's regularly visit the department and platform is being provided to the students to interact with them. The department is actively engaged in Research in the areas of Image Processing, Pattern Recognition, Artificial Intelligence, Machine Learning, and Deep Learning.

DEPARTMENT OF STUDIES IN ELECTRONICS

The Department was established in the year 2003-04 with the objective of generating competent professional to meet the challenges in the field of Electronics. The Department has dedicated staff and well-equipped laboratories viz Analog Electronics, Digital Electronics, C++, MicroControllers, Digital Signal/Image Processing, Advanced Communication, Computer Communication, Networks, VHDL and Machine Learning. The Department is actively in teaching, research and extension Programmes. Thrust areas of research include, Digital Signal & Image Processing, Machine Learning and Antenna Theory & Design. Provide placement assistance for students in various leading Industries.

Department of Studies and Research in Library and Information Science

The Department of Library and Information Science has been established in December 1993. The course is designed to suit to the changing needs of modern society. Greater emphasis has been laid in the curricula on IT oriented areas and practical aspects. To facilitate this, the department is equipped with necessary classrooms, furniture and equipment. It has an independent computer lab with 20 systems and internet facility. Many students have been placed in central/state government departments, public/ private enterprises, higher education institutions, R&D organizations and corporate sector. The department is active in teaching, training, research and consultancy activities. The department has organized many national level seminars, conferences, workshops and UGC sponsored Refresher Courses in Library and Information Science.

Internship: Each candidate shall compulsorily undergo one-month's Internship in a reputed library attached to the institutions of higher learning or R & D Institution as part of IV Semester. The internship shall be undertaken immediately after the completion of IV Semester Examination (Theory and Practical).

DEPARTMENT OF P.G. STUDIES AND RESEARCH IN MATHEMATICS:

The Department of Mathematics started in the year 1975 as a part of University of Mysore. Later in 1987, it became an integral part of Kuvempu University. The Department is harnessing precious human resources for the overall Development of the society through the pursuit for excellence in the area of Mathematical Sciences. The Department is actively involved in teaching and research. The Department is recognized as a centre of research in the fields of Differential Geometry Theory of Relativity and Fluid Mechanics. The Department is admired by many Universities for its quality teaching and research. Apart from conventional teaching methods, the department is also teaching students using advanced ICT tools. The Department is regularly conducting orientation classes, special lectures, NET-SLET coaching and remedial classes for the academic benefit of the students. The Department has a financial support from DST under FIST programme from 2019 to 2024

Further the Department is regularly conducting International /National conferences, Seminars and workshops for the benefit of students and researchers. The Departments has Mathematical Society, established in the year 2008, which helps students in getting placements, providing facilities for research activities and to generate funds for economically weaker and meritorious students to purchase books. The Department also trains each student in Computer skills and Mathematical Software.

As a part of University -Industry interaction, research organizations like TIFR, IISC, IIT's selecting/ considering our Department as a centre to conduct seminars, conferences, workshops and symposium's. It helps our students to interact with many renowned Mathematicians, Scientists and Industrialists. The Department has awarded 101 Ph.D and 23 M.Phil degrees and published more than 1000 research articles in reputed National /International journals. Currently 26 students are working in the Department for their Ph.D degree.

Department of PG Studies and Research in Physics

The Department has been established in the year 1991. The Department offers specialization in Condensed Matter Physics and Nuclear physics. The Department has well equipped laboratories, adequate no. of class rooms, computer lab and departmental library. National seminars, symposiums, workshops and special lectures are regularly being organized in the Department for providing proper exposure to students. The course content is designed so as to enable students to get placements in various multidisciplinary sectors. Several students have cleared their KSET/NET/GATE/KEA examinations and are appointed as teachers in undergraduate colleges/universities. Many have pursued studies towards their doctoral degree in reputed institutions/universities and have got good placements.

Programmes Offered: M.Sc., and Ph.D

POST - GRADUATE CENTRE, KADUR

To provide higher education to rural youth, Kuvempu University established a Post-Graduate Centre at Kadur. It is located in an area of about 65 acres of land on Shivamogga-Bengaluru highway and 7 kms away from Kadur town. Kadur is well connected by road and train.

The campus has newly constructed academic building with adequate lecture halls, hostels (for both boys and girls), library and laboratory facilities. The courses offered here are in great demand as they open new job opportunities. The emphasis here has always been for teaching, research and extension activities. Few details about the courses offered and others are provided below.

Sl. No.	Course Offered	Chairperson and Contact Number	Course Structure
1	M.A. (Economics)	Dr. N.D. Satyanarayan (Cell: 9740484017)	See, the Profile of Department of Economics (main campus)
2	M.Com.		See, the Profile of Department of Commerce (main campus)
3	M.Sc.(Chemistry)		See, the Profile of Department of Chemistry (main campus)
4	M.Sc.(Pharmaceutical Chemistry)		Profile of this Department is given earlier

Note:

01. For course details, see the respective pages of the Department (of main campus) concerned.
02. Those who are interested to take up the M.Sc.(Pharmaceutical Chemistry) shall submit the application separately to The Chairperson, Department of Studies in M.Sc.(Pharmaceutical Chemistry), Post-Graduate Centre, Kuvempu University, B. H. Road, Kadur - 577 548 (Chikkamagaluru District, Karnataka).

The Kuvempu University has emerged as a University acclaimed educational hub and its foreign students' strength has been rising year by year. The University's academic image an ambience that is perfect to the reckoning for the pursuit of knowledge. Students from various Asian and African countries such as Yemen, Sri Lanka, South Korea, Kenya, Nigeria, Somalia and Eretria have been the alumni of this university since more than a decade.

The International Students' Cell assists the foreign students in eligibility assessment, admission, obtaining Study/ Research Visa and residential permit. It establishes linkages with Institutions, help freshers to connect with fellow citizens. The International Students Cell also disseminates information on study abroad opportunities and avenues for academic collaborations to faculty and students of various University Departments and Colleges. The International Students' Cell functions as a liaison between the foreign students, Academic Institutions, Faculty, University Offices, Diplomatic Missions, State/ Central Government Departments, Police/ Intelligence and other legal agencies. The Cell maintains the data base of foreign students studying in the university.

The University provides Hostel, Health and Library facilities to all the students with in the campus.

International Students' Cell organises the following activities for the benefit of foreign students:

- Functional English training course for non-English medium foreign students after admission.
- Awareness programme about law of the land, in association with Police Department.
- Sports and Cultural Programmes.

The admission process starts during June every year. Foreign students seeking admission for Undergraduate / Post-Graduate courses may contact the International Student's Cell during the months of April and May every year. The details of academic courses and other information are provided in the University's website.
