

Details of the student pursuing Ph.D Degree								
SL.No.	Name of the Student	Name of the Department /Institution	Registration Number	Date of Registration	Name of Guide	Full time/ Part time	Title of the thesis	Post Graduated From
1	Nagaraja D	Physical Education	542	07-09-2020	Dr. Virupaksha N. D.	Full time	Effect of plyometric training on selected motor performance, physiological and psychological variables of Karateka	Kuvempu University
2	Nawaz Basha C	Physical Education	544	07-09-2020	Dr. Virupaksha N. D.	Part time	A cross sectional analysis of selected psychological variables of Kayana Karnataka and non-Kalyana Karnataka sportspersons	Kuvempu University
3	Sunil Ankolekar	Physical Education	546	07-09-2020	Dr. Gajanana Prabhu B.	Part time	Exploring potentials and challenges of water based adventure sports in Karnataka	Mangalore University
4	Kiran Kumar NY	Physical Education	543	07-09-2020	Dr. Gajanana Prabhu B.	Part time	A study on effects of sports massage during pre and post performance situation on selected performance variables of competitive runners	Kuvempu University
5	Vasanth naik P	Physical Education	821	06-09-2021	Dr. Gajanana Prabhu B.	Full time	Effect of visual training on skill parameters, peripheral vision and balance ability of volleyball players	Kuvempu University
6	Srinivas Balappa Kusugal	Physical Education	822	06-09-2021	Dr. Gajanana Prabhu B.	Part time	A case study on Arjun Halkurki	Kuvempu University
7	Ganagadhara Magalda	Physical Education	142	11-08-2023	Dr. Gajanana Prabhu B.	Full time	To be finalized	Kuvempu University
8	Dileep Kumar SC	Physical Education	297	11-08-2023	Dr. Gajanana Prabhu B.	Part time	To be finalized	Kuvempu University
9	Sanjeeva Kumar KS	Physical Education	473	25-01-2019	Dr. Ravindra Gouda SM	Full time	Exploring the selected anthropometric measurements, physiological and biomotor variables of combat sports	Kuvempu University
10	Sampath Kumar C	Physical Education	471	25-01-2019	Dr. Ravindra Gouda SM	Part time	Prediction of badminton playing ability from selected physical, physiological and psychological variables	Kuvempu University
11	Shankara Murthy KM	Physical Education	472	25-01-2019	Dr. Ravindra Gouda SM	Part time	As study on factors influencing sports participation among high school students of Karnataka state	Kuvempu University
12	Chethan AV	Physical Education	704	23-12-2020	Dr. S M Prakash	Part time	An analysis of physical activities, sports participation and performance among technical institutions in Karnataka	Kuvempu University
13	Shubha RK	Physical Education	698	23-12-2020	Dr. S M Prakash	Part time	A study of surface electromyogram (EMG) on selected muscles during different phases of volleyball spike	Kuvempu University
14	Suresh R	Physical Education	703	05-02-2021	Dr. S M Prakash	Part time	Examining association of explosiveness, core muscle ability and morphological parameters with sports performance of throwers	Kuvempu University
15	Prathap N	Physical Education	465	25-01-2019	Dr. S M Prakash	Part time	Factorial expressions of fitness and skill test variables of wrestlers	Bangalore University
16	Ranganath TK	Physical Education	170	18-06-2014	Dr. S M Prakash	Part time	Factorial expressions of physical fitness variables, psychological variables and skills of National kho-kho players	Kuvempu University
17	Roopathi M	Physical Education	464	25-01-2019	Dr. S M Prakash	Part time	Factorial expressions of specific fitness variables of female handball players	Mangalore University
18	Shashidhara NV	Physical Education	394	11-09-2017	Dr. S M Prakash	Full time	A study on effectiveness of physical education curriculum in the high schools of Karnataka state	Mangalore University
19	Manjunatha E	Physical Education	705	23-12-2020	Dr. S M Prakash	Full time	Examination of sports facilities, sports performance and physical fitness of students at Kendriya Vidyalayas	Mangalore University
20	Satyanarayana LH	Physical Education	466	25-01-2019	Dr. Shivamurthy A	Part time	Examining association between core muscle ability and performance parameters of sportspersons at different levels	Kuvempu University
21	Lakshmeesha BN	Physical Education	467	25-01-2019	Dr. Shivamurthy A	Part time	Impact of pre-University education system on health status, stress levels and health related physical fitness: A longitudinal study adolescents of Hassan city	University of Mysore
22	Pooja M	Physical Education	469	25-01-2019	Dr. Shivamurthy A	Part time	A survey of physical, mental, social and emotional health in relation to self reported physical activity of adolescents in rural Karnataka	Kuvempu University
23	Prasanna Kumara MD	Physical Education	823	06-09-2021	Dr. Shivamurthy A	Full time	Effect of yogic practices on selected psychomotor abilities and wellbeing of sportspersons	Kuvempu University
24	Durugesappa A	Physical Education	545	07-09-2020	Dr. Shivamurthy A	Part time	A study on influence of different training seasons on functional performance, lifestyle and body composition of athletes	Kuvempu University
25	Vinod KM	Physical Education	547	07-09-2020	Dr. Shivamurthy A	Part time	Influence of different physical exercise patterns and lifestyle on selected hematological, biochemical and physiological variables of middle aged persons	Kuvempu University
26	Mahesh Kumar KM	Physical Education	PHE:01	09-01-2013	Dr. Appanna M Gasti	Part time	Construction and standardization of skill tests in Handball game	Kuvempu University
