

Details of the student pursuing Ph.D Degree								
SL. No.	Name of the Student	Name of the Department / Institution	Registration Number	Date of Registration	Name of Guide	Full time/ Part time	Title of the thesis	Post Graduated From
1	Bhavani Patil	Applied Zoology	804	06-09-2021	Prof. M. Venkateshwaralu	Part time	<i>"Biochemical and genotoxicity analysis in Oreochromis mossambicus from Melakote and Gangasandra tanks of Tumkur"</i>	Mangalore University
2	Manjunath V S		805	06-09-2021	Prof. M. Venkateshwaralu	Full Time	<i>Ecotoxicological analysis of Mallapura Lake in Chithradurga and its impact on fish Oreochromis mossambicus</i>	Kuvempu University
3	Savitha A V		84	04-01-2014	Prof Nagaraja	Part time	<i>Study of Phenotype- genotype correlations in Human L1 CAM gene Associated diseases</i>	Kuvempu University
4	Shamapari R		560	13-02-2019	Prof Nagaraja	Full Time	<i>"Teratogenic and Genotoxic studies of Antiepileptic drugs using Drosophila model system"</i>	Davanagere University
5	Bhargavi		640	19-02-2020	Prof Nagaraja	Full Time	<i>"Genetic Association analysis of Copy Number Variations of Cell AdhesionMolecules in the Autism Spectrum Disorder"</i>	Kuvempu University
6	Harshitha L		807	06-09-2021	Prof Nagaraja	Full Time	<i>"Studies on the immune response of Drosophila melangaster against bacterial infection"</i>	Kuvempu University
7	Soumya D		70	12-08-2022	Prof Nagaraja	Full Time	Under Process	Kuvempu University
8	Nithya T P		140	16-08-2023	Prof Nagaraja	Full Time	Under Process	Kuvempu University
9	Mruthyunjaya N B		141	16-08-2023	Prof Nagaraja	Part time	Under Process	Kuvempu University
10	Hamsarekaha V		553	13-02-2019	Dr. Shwetha A	Full Time	<i>"Ecology of Malabar Giant Squirrel (Ratufa Indica Indica) In Umblebyle Range Forest, Bhadravathi Division, Shimoga, Karnataka"</i>	Bangalore University
11	Krishna Kumara		554	13-02-2019	Dr. Shwetha A	Part - Time	<i>"Studies on Diversity and distribution of Avifauna in Hanumanahalli Area, Gangavathi Taluk, Karnataka with Special reference to Beeeaters (Merops Philippinus and Merops orientalis)"</i>	Kuvempu University

12	Keshava Murthy M V	642	19-02-2020	Dr. Shwetha A	Part - Time	<i>"Studies on Ecological Distribution and Population dynamics of soil nematodes in udupi district Karnataka"</i>	Mysore University
13	Poornima B S	643	19-02-2020	Dr. Shwetha A	Part time	<i>"Studies on Avifaunal Diversity and Their Status in selected ponds of arsikere taluk, Hassan District, Karnataka"</i>	Davanagere University
