Dear Prof. Sir/Ma'am,

Hope you are doing well.

We are excited to inform you that we have launched the **Internshala Student Partner (ISP 15)** program for the students of Kuvempu University.

Internshala Student Partner (ISP 15) is a work-from-college program where we hire students from different colleges across India and teach them essential skills like Public Speaking, Networking, Time Management & Customer Service in just 70 days. In the previous edition of this program (ISP 14), the ISPs helped more than 60,000 students to take a step ahead in their careers by raising awareness about internships and online trainings.

Benefits for the students:

- They will gain work experience while studying in college
- A prestigious letter of recommendation
- Performance-based cash incentives, exclusive Internshala goodies and a chance to win an iPhone X

Benefits for the college:

- Exclusive internship awareness seminars will be hosted at your college
- Positive impact on your final placement and internship records

Students of any year and stream may visit here - <https://internshala.com/i/C1577> to fill the application form based on which we will evaluate the eligible candidates. The last date to register is **15th August 2019**.

I request you to share this email with all your students and put up this poster (download) on your noticeboard. Also, you can use the Share on WhatsApp feature below to ensure maximum students apply for this program.
