

Call for Abstracts:

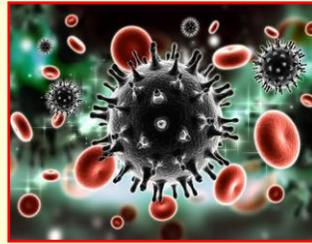

- Abstracts are invited for oral and poster presentation on the themes of the conference.
- Abstracts (Not exceeding 500 words) in MS word format with Times New Roman and font size 12. Soft copy should be submitted to thippeswamyb272@yahoo.in
- Abstract should include the name of the theme, title of the Paper, author(s), name(s), and affiliation(s), mailing address and E-mail Id of the presenting author. Presenting author name should be underlined.
- Note:** For display of poster, a space 3×3 ft. (W×H) will be provided.

Important Dates:

- Last date for receipt of Abstract : 22nd February 2020
- Last date for registration : 22nd February 2020
- Intimation of accepted papers for oral/poster : 26th February 2020
- Conference date : 2nd March 2020

Registration Fee Structure :

Registration Fee	Registration	Spot Registration
Professors/Scientists from University/Institution/Industries	Rs. 500/-	Rs. 600/-
PG//UG Students	Rs. 200/-	Rs. 250/-
Research Scholars	Rs. 250/-	Rs. 300/-

The Registration fee for the conference is applicable to all the participants. The registration fee can be paid through online (RTGS/NEFT /Direct transfer) to STATE BANK OF INDIA, SB A/C no. 64008582846 (IFSC-code:SBIN0040759, Jnanasahyadri Branch) or through Demand draft payable at State Bank of India, Shankaraghatta in favor of The Chairman, Dept. of Microbiology, Kuvempu University on or before 22nd February 2020. (Soft copy of the paid challan along with the registration form should be forwarded to Organizing Secretary).

Soft Copy of Registration form can be downloaded from

www.kuvempu.ac.in

FOR CORRESPONDENCE

Dr. B. Thippeswamy

Chairman & Organizing Secretary - IMTCE-2020

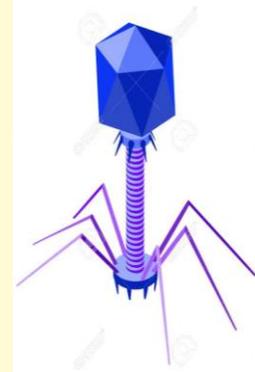

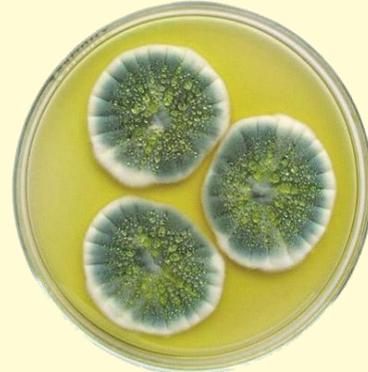

Dept. of Microbiology, Kuvempu University,

Jnanasahyadri, Shankaraghatta-577451,

Shivamogga District, Karnataka, INDIA.

Mobile: +918762219091, +919148906921

E-mail: thippeswamyb272@yahoo.in

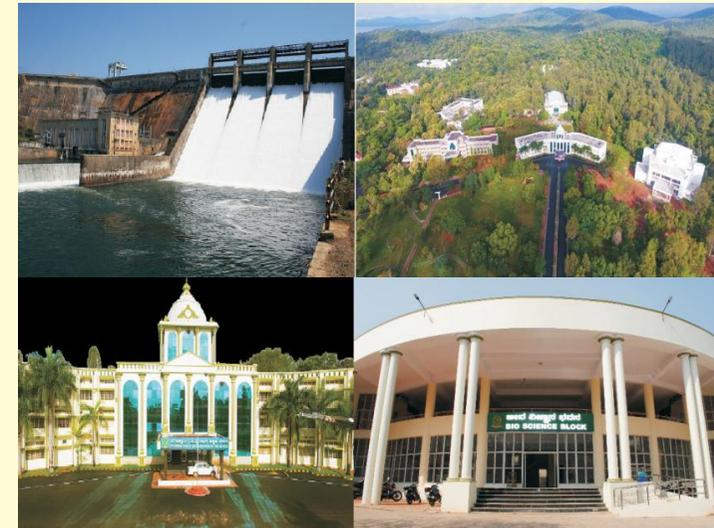

ಕುವೆಂಪು ವಿಶ್ವವಿದ್ಯಾಲಯ
KUVEMPUR UNIVERSITY

Accredited by NAAC with 'A' grade
73rd All India ranking (NIRF), KSURF 4 Star

NATIONAL CONFERENCE ON

**"Innovative Microbial Trends
and Challenges in the
Environment
(IMTCE - 2020)"**

2nd March-2020

Organized By ;

**Dept. of P.G. Studies & Research in
Microbiology**

**Jnanasahyadri, Kuvempu University,
Shankaraghatta-577451, Shivamogga
District Karnataka, INDIA.**

About the University

Kuvempu University is an affiliated University established in 1987. It is a State University recognized by UGC under 2(f) and 12(b). The University has been named after great Kannada writer Shri KUVEMPU and has achieved a distinctive academic profile and a cultural identity of its own. Interestingly, the features of its identity seem to have emerged out of the multifaceted personality of Kuvempu, the great doyen of Kannada literature, a Jnanapitha awardee and one among the most significant cultural figures of modern India. The emblem of the university has a mythical animal with the trunk of an elephant and the body of a swan. This mythical animal, called Gajahamsa is commonly found in the Vijayanagara and the Keladi sculpture and temple art. It symbolizes the integration of knowledge and wealth. The jurisdiction of the university spreads over the districts of Shivamogga and Chikkamagaluru. It is a university with a distinctive academic profile, blending in itself commitment to rural ethos in modern spirit. The university offers undergraduate, post-graduate and Ph.D. programmes in a wide range of disciplines. It has 35 Post-graduate Departments in the Faculties of Arts, Commerce, Education, and Science and Technology. Kuvempu university is located about 28 Km from Shivamogga, 18 Km from Bhadravathi and 28 Km from Tarikere. The University has its headquarters at Jnanasahyadri campus. It sprawls over an area of 230 acres of a lush green, picturesque locale providing the right ambience for higher education. The main buildings of the university have been constructed on small hillocks, thus blending naturally with the landscape. The entire campus area is free from any form of pollution. The undisturbed and pleasant atmosphere on the campus makes it ideally suited for the pursuit of higher education and research.

About the Department

The Department of Post Graduate Studies and Research in Microbiology was started during the year 2005. The Department offers M.Sc., and Ph.D. courses in Microbiology. The course content is designed to cover all aspects of Microbiology and practical orientation for microbiological methods. The M.Sc., and Ph.D. programme in microbiology aims to produce well-trained microbiologists and scientists. Department provides a strong foundation of microbiological techniques to students that will help them to discover novel microbes for the betterment of the society. The department also invites accomplished scientists regularly from various prestigious institutes, Government and private institutions to deliver special lectures in order to encourage and motivate the students to take up research programmes and academic activities. Faculty is well trained in the teaching and Research activities. One of the faculty members has received Raman Fellowship Award from UGC, New Delhi to pursue Post Doctoral Research at North Carolina State University, USA. Department has received many research projects funded by UGC/DST/DBT/VGST etc., Research papers have also been presented in National/International conferences by faculty members. Department has produced 25 Ph.D. candidates and more than 350 research papers have been published in reputed National/International journals with a high impact factor. Currently, more than 30 Research Scholars registered for Ph.D. programme in the department. Department has well equipped infrastructure and academic facilities. The department has provided training to the students for higher education and to acquire jobs in Institutes/Industries etc.,

About the Conference

Microbiology is presently one of the fastest moving disciplines in Life Sciences. The advent of new technologies and growing recognition of the enormous degree of microbial diversity has revolutionized our understanding of microbiology as a discipline. Microbiology is moving into a new era that focuses less on specific organisms and more on the processes and mechanisms that link them. Different aspects of microbiology like, Microbial Biodiversity/Environmental Microbiology/ Agricultural Microbiology/Phytopathology, Medical/ Immunology /Molecular Microbiology, Food/Dairy/Industrial Microbiology/Microbial Nanotechnology will be discussed in the conference. Present conference will provide a multidisciplinary forum for the discussion of all aspects of microbiology. Agriculture and environment are major serious issues to be addressed for sustainable production and inhabitation, respectively. There is a renewed interest in recruitment of different microorganisms for mitigation of climatic changes and sustainable agricultural production on natural resources.

A variety of microorganisms have potential for application in management of environment and agriculture. Application of molecular tools, a wealth of information on biological processes of these organisms is being generated and our understanding of these microorganisms is getting improved better and better day-by-day. The purpose of the proposed conference is to bring the active players-researchers, industrial entrepreneurs, teachers, scientist and students on one platform for sharing, updating and exchanging of knowledge and ideas.

Thrust Areas of the Research in the Conference :

1. Microbial Biodiversity/Environmental Microbiology
2. Agricultural Microbiology/Phytopathology
3. Medical/ Immunology /Molecular Microbiology
4. Food/Dairy/Industrial Microbiology/Microbial Nanotechnology

Chief Patron

Prof. B. P. Veerabhadrappa, Hon'ble Vice Chancellor, Kuvempu University.

Patrons

Prof. S.S. Patil, Registrar, Kuvempu University.

Prof. M. Venkateshwarlu, Registrar (Evaluation), Kuvempu University.

Prof. H.N. Ramesh, Finance Officer, Kuvempu University.

Organizing Secretary

Dr. B. Thippeswamy, Chairman, Dept. of Microbiology, Kuvempu University.

Convener

Dr. N.B. Thippeswamy, Associate Professor, Dept. of Microbiology, Kuvempu University,

National Advisory Committee :

Prof. M .K. Naik, Hon'ble Vice-Chancellor, UAHs, Shivamogga, Karnataka.

Prof. C. Manoharachary - NASI , Senior Scientist, Dept. of Botany, Osmania University, Hyderabad.

Prof. S.R. Niranjana – Dept. of Biotechnology, University of Mysore., Mysore.

Prof. V. Krishna- Dean, Faculty of Science & Dept. of Biotechnology, Kuvempu University.,

Prof. M. Krishnappa- Dept. of Applied Botany, Kuvempu University, Karnataka.

Prof. M.C. Srinivasan- Emeritus Scientist, NCL, Pune, Maharashtra.

Prof. S.S. Kamble- Dept. of Botany, Shivaji University, Kolhapur-416004, Maharashtra.

Prof. K. Lingappa- Dept. of Microbiology, Gulbarga University, Kalaburgi.

Prof. G. Chandrakanth Kelamani- Dept. of Biotechnology, Gulbarga University, Kalaburgi.

Prof. Jayashankar, - Dept. of Microbiology, Mangalore University, Mangalore.

Prof. V. Shyam Kumar- Dept. of Biotechnology & Microbiology, Karnatak University, Dharwad.

Prof. Vedamurthy- Dept. of Biotechnology & Microbiology, Karnatak University, Dharwad.

Prof. C. Srinivasa- Dept. of Microbiology & Biotechnology, Bangalore University, Bengaluru.

Dr. Prakash M Halami- Principal Scientist, Dept. of Microbiology & Fermentation Technology, CFTRI, Mysore.

Prof. M.N. Sreenivasa- Dept. of Agricultural Microbiology, UAS, Dharwad, Karnataka.

Dr. Bhoopander Giri- Dept. of Botany, Swami Shradhanand College, University of Delhi, Delhi.

Organizing Committee :

Prof. Nagaraja, - Chairman, Dept. of Applied Zoology, Kuvempu University.

Dr. Vijay Kumar -Chairman, Dept. of Wild Life and Management, Kuvempu University.

Dr. Shwetha A - Dept. of Applied Zoology, Kuvempu University.

Dr. Naveen Kumar K.J. - Dept. of Microbiology, Kuvempu University.

Dr. Sowmya H.V. - Dept. of Microbiology, Kuvempu University.

Dr. Nayanashree G. - Dept. of Microbiology, Kuvempu University.

Dr. Venugopal T.M.,- Dept. of Microbiology, Kuvempu University.

Dr. Renuka K.P. - Dept. of Microbiology, Kuvempu University.

Ms. Roopini G.K. - Dept. of Microbiology, Kuvempu University.

Ms. Dhanya Kumari Y. - Dept. of Microbiology, Kuvempu University.

Research Scholars of Dept. of Microbiology :

Mr. Lokesh S T., Santhosh K.N., Jyothi V., Prakash J., Prapthi U B., Akarsh S., Nandish G., Manjunatha D., Raghu A.M., Nandini B.C., Navya Nagaraj., Shruthi., Veena Hegde., Amitha. B. Ganapathy., Amrutha. S.L, Syed Hafeez., Prashanth. J.

REGISTRATION FORM

(Format to be attached with Demand draft / Challan)

Name (Block letters): _____

Male/Female: _____

Designation: _____

Organization: _____

Address: _____

Phone: _____ Fax: _____

E-mail: _____

I will attend the Conference: (Y/N) _____

I will present a Paper (Oral/Poster): (Y/N) _____

Title of the Paper: _____

Accommodation required: (Y/N) _____

Accompanied by: _____

Arrival Date: _____ Departure Date: _____

Registration fee/ Payment details/Online

Payment Draft /Trans. No.: _____

Date: _____ Drawee Bank: _____

Amount: _____

Date:

Signature
