

**ALL INDIA INTER UNIVERSITY SEPAK TAKRAW (MEN) TOURNAMENT
2018-19 ORGANIZED BY KUVEMPU UNIVERSITY**

(Under the auspices of AIU New Delhi)

Kuvempu University is one of the youngest affiliating Universities in Karnataka. Established in 1987, it is a University with a distinctive academic profile, blending in itself commitment to rural ethos and a modern spirit. It has 50 Post-Graduate departments of studies in the faculties of Arts, Science, Commerce, Education and Law. The University has 106 affiliated colleges under its jurisdiction spread over two districts Shivamogga and Chickmagalore. It also has Four constituent colleges and outlying regional Post-Graduate center at Kadur.

The academic life on the campus is vibrant and exciting with seminars, symposia, special lectures and workshops throughout the year. Both the conventional and non-conventional courses of study have updated syllabi responsive to the needs of the contemporary society and the research orientation is innovative, original and directed to societal needs. The main campus is in the lap of a lush, picturesque locale providing the right ambience for University education. Indeed, Kuvempu University is a place one would love to be associated with.

Jnanasahyadri, the main campus of Kuvempu University is located at Shankaraghatta at a distance of 20 kms from Bhadravathi the well known industrial town and 28 kms from Shivamogga, the district head quarters. The campus is only 2 kms, from the magnificent Bhadra Reservoir across the river Bhadra, one of the important lifelines of the area. The main buildings of the University have been constructed on a small hillock, thus blending naturally with the landscape. The campus sprawls over an area of 230 acres. The entire campus area is free from any form of pollution including noise pollution. There is no exaggeration in saying that the undisturbed and pleasing atmosphere on the campus makes it ideally suited for the pursuit of higher education. The main campus can be reached by using the public/private bus services, from Shivamogga, Bhadravathi and Tarikere towns, which are close the campus and are well connected by rail.

Kuvempu University is a very vibrant place of higher learning with many academic and cultural activities. The University houses on its main campus at Jnanasahyadri, Shankaraghatta with several Post Graduate departments of studies and research.
